Board Member Education and Engagement

- 11. President's Report
- 12. Consider Approval to Authorize an Increase in Spending Limit for Two Vendors

Your College Right Now

MEMORANDUM NO: 075-2023

TO:

Board of Regents

FROM:

Robert J. Exley, PhD M

DATE:

June 15, 2023

SUBJECT:

Request Spend Limit Increase for Two Current Vendors - Entech Sales and

Services, LLC and Pollock Company

At the August 2022 Board of Regents meeting, the Board approved continuance of our engagement with Entech Sales and Service, LLC for the provision of additional HVAC services, including preventative maintenance, as needed. Entech Sales and Service, LLC is approved through the Procurement process of the State of Texas and Alvin Community College through Texas BuyBoard purchasing cooperative contract, contract number 638-21. Entech Sales and Service, LLC has proven to be an exceptional vendor who provides timely, responsible, and dependable service when we need them. These characteristics are critical for the college. The original authorized estimated annual expenditure was \$150,000.00.

Unfortunately, the number of items demanding our attention this year has resulted in the need for Board approval to increase the spending limit of this contract. These items have ranged from a minimum of \$1,508.76 (emergency repairs for cooling tower alarm, NRC unit vibration switch alarm, and NRC troubleshoot for refrigerant leaks) to a maximum of \$34,268.11 (replace Libert units in S Building located in the IDF rooms). Attached you will find a complete listing of expenses to date.

The College has presently expended \$ 169,690.51 for 16 items. We have had five large-ticket items accounting for a total of 88% (\$ 132,104.53) of the originally approved amount of \$ 150,000.00. We are currently addressing a safety-related issue with our Gun Range regarding air quality. To correct this issue involves analysis and installation of enhanced air filtration units with variable speed control. The estimated cost for these improvements is approximately \$ 32,00000) which when combined with our current expenditures results in a total of \$ 201,690.51 in expenditures.

The second vendor is the Pollock Company. The currently approved spending limit for this vendor is \$50,000.00. Owing to significantly increased demand on campus facilities, custodial supplies expenditures is presently \$40,458.12. Anticipated expenditures for the remainder of the 2022-2023 fiscal year will exceed the current spending limit.

I am requesting the Board of Regents approve raising the spending limit on the Entech Sales and Services, LLC contract number 638-21 an additional \$150,000.00 to a new total of \$300,000.00 for the 2022-2023 fiscal year and approve raising the spending limit on the Pollock Company contract number 638.21 \$15,000.00 to a new total of \$65,000.00. College plant funds are available and will be utilized for these additional expenses.

MEMORANDUM NO: 072-2023

TO:

Board of Regents

FROM:

SUBJECT: Cybersecurity Lab/Classroom Upgrade – Grant Funded

In the Fall of 2022, the College was awarded \$346,046 through the Jobs for Education (JET) grant for the purpose of establishing the Cybersecurity Lab and classroom for a new curriculum. This state-of-the-art program of study and curricula offer students the latest technology for cybersecurity education, training and practicums. This JET grant funding covers a significant portion of the cost for physical space remodeling, specific equipment, and furniture. Building D, Room 111 is the existing space for remodeling to efficiently house the necessary IT infrastructure and furniture.

Over the last several months preliminary work in Building D, Room 111 has been completed including, but not limited to, removal of old flooring and replacement with new Texan Flooring, purchase of server cabinets, purchase of work/lecture tables and stools. Finally, Architectural drawings and a schematic to guide the remodeling/construction of the space was produced by GPD Group. The totals for this work are detailed in the table on the next page.

Moving forward, College staff determine the technology infrastructure necessary and solicited quotes from CDW-G (E&I Cooperative), C-Link (TIPS Cooperative) and Dell (Texas DIR) for \$163,817.29 of technology to be provided and installed over the next few months. Again, the totals for this technology are detailed on the next page.

Through cooperative quote process for job-order contracting (JOC), two firms – Facilities Sources, Inc. and Construction Masters (both on the HCDE Choice Partners Cooperative and very familiar with the College and our site requirements) – were invited to walk the site and propose solutions for construction. The best-valued response was from Facilities Sources in the amount of \$143,635.00.

Staff recommends that the Board authorize the President to enter into agreements for purchasing the remaining goods and services with Dell, C-Link, CDW-G and Facilities Sources for the provision of updating this space. Further, subsequently approving the preliminary work for the Cybersecurity Lab site in the amounts noted above.

MEMORANDUM NO: 070-2023

TO:

Board of Regents

FROM:

Robert J. Exley, PhD RAVE

DATE:

June 7, 2023

SUBJECT: ERP/SIS Staffing Augmentation, IT Director Consultant

Alvin Community College depends on significant technology to serve its mission to serve our students, employees, and community.

Due to critical and unfilled positions within the Enterprise Business Solutions branch of ACC IT Services, the College issued a request for proposals (RFP # 23-034) for competitive bids for managed services and support of the College's ERP and Student Information System, Ellucian Colleague. The RFP was posted on the State of Texas Electronic State Business Daily (ESBD) site and advertised in the Alvin Sun Adviser newspaper.

One of the RFP's specifications included:

 Assist in onboarding and transferring knowledge to the incoming IT Director, Enterprise Business Solutions.

The College received four responses to the RFP. Following a thorough evaluation of the responses, the College recommended Ultimate Consulting (UCIT) for the engagement, which the Board of Regents approved in October 2022. UCIT is considered a trusted partner and has worked successfully on projects and daily tasks with ACC, including SQL migration work, reporting, business process reviews and alignment, and general support and troubleshooting assistance.

UCIT has provided valuable remote assistance to the IT department and business units. Unfortunately, the College has not yet been successful in placing a candidate in the IT Director, Enterprise Business Solutions role. The position has been reposted, and the College continues to search for a qualified candidate. By virtue of RFP #23-034, UCIT has offered to contract with the College for the placement of a hybrid temporary IT Director, Enterprise Business Solutions.

The proposed agreement includes 720 hours at \$130.00 per hour, totaling \$93,600.00. It will run parallel to the services provided in RFP #23-034, which includes 1,440 hours at \$140.00 per hour, this agreement has an unused balance of 959 hours as of May 31, 2023. In both agreements, the College is only billed for hours used. The College intends to reduce billable hours from RFP #23-034 to 60 hours per month from 160 hours per month. Thus, the combined expenses of this proposed agreement and the reduced existing agreement's hours per month results in net additional costs of \$9,740.00 (before travel). All reasonable travel costs will be submitted and reimbursed to Ultimate Consulting, IT in accordance with ACC approval and travel policies. Table 1 below provides the adjusted costs breakdown.

Ultimate Consulting Consultant Recommendation: Michelle Shadrake

The College will have the option of extending full-time, permanent employment to Ms. Michelle Shadrake if the work performance is consistent and positive. It is understood that ACC would pay a finder's fee of 12% of the negotiated annual salary.

It is recommended that the Board of Regents approve the selection of Ultimate Consulting, LLC for this engagement with a maximum expenditure of \$93,600.

MEMORANDUM NO: 057-2023

TO:

Board of Regents

FROM:

Robert J. Exley, PhD

DATE:

June 14, 2023

SUBJECT:

Consider Action to "Remove from the Table" Agenda Item #17 – Consider

Purchase of Leased Transportation Bus from the April 27, 2023 Board of Regents

Meeting

As you may recall, the Board tabled this item and directed the College administration to gather more data and reconsider the recommendation to Purchase the bus. Vice President Stager's personnel worked together with our Athletic Director Jason Schreiner completed this work and I recommend the tabled item formally be removed from the table so we can proceed with introducing a newly developed recommendation for board action.

A number of factors are impacted this revised recommendation. Since Athletics is the most active user of the bus, and since it is common practice with our other community colleges to utilize a combination of charter busses and college-owned vehicles, I believe it is important to consider adopting a combination approach. The majority of the time athletics teams utilize the college bus the team's coach will also drive the bus. This is a safety concern when the trip exceeds two-three hours roundtrip. Thus, if we utilize charters for roundtrips longer than three (3) hours the charter company furnishes the driver.

Attached you will find the Memorandum from Vice President Stager to me dated June 15, 2023 with detailed information and rationale for the recommendation to the board.

I am recommending that the Board of Regents authorize the President to enter into a 4-year lease contract with D&M Leasing for the amount of \$2,541.16/month resulting in total of \$30,550/year for four (4) years.

17. Consider Approval of Classroom Furniture

MEMORANDUM NO: 073-2023

TO:

Board of Regents

FROM:

Robert J. Exley, PhD

DATE:

June 8, 2023

SUBJECT: Classroom Furniture Upgrade

Alvin Community College depends on appropriate and updated furniture to carry out its mission to serve our students, employees, and community. Through collaborative efforts between the Instructional Leadership Team (ILT) and Information Technology divisions, a multi-year project has been defined to upgrade classroom furniture across the College's instructional spaces. The first phase occurs over summer 2023 and upgrades eighteen classrooms. This furniture upgrade will run concurrent to the classroom technology upgrades previously awarded by the Board of Regents in June.

Members of the ILT and IT divisions selected high-level mock-ups of furniture desired for the classrooms. These mockups were presented to Gateway Commercial Furniture for consideration. Gateway has been a partner with the College for several years and has provided the recent upgrades for spaces across the campus, including E-Building and Welcome Center, among other spaces. Obviously, Gateway is very familiar with our campus and our needs. Gateway provided sample furniture to our campus for consideration of the ILT and ELT to review and comment. The classroom furniture was approved by both groups to proceed forward.

This purchase meets both the State of Texas and the ACC Purchasing policies as Gateway Commercial Furniture is a preferred provider in our region through the Omnia Partners cooperative group for KI Furniture, under Contract R191808.

It is recommended that the Board of Regents authorize the President to enter into a contract with Gateway Commercial Furniture for classroom furniture upgrade for \$298,916.28 and a 10% contingency (\$28,891.63) bringing the total request for approval to \$328,807.91. Remaining funds from the 2018 Tax Maintenance Note will be utilized for this purchase.

MEMORANDUM NO: 076-2023

TO:

Board of Regents

FROM:

Robert J. Exley, PhD

DATE:

June 15, 2023

SUBJECT: Consider Approval of the Board of Regents Meeting Schedule for 2023-2024

The proposed meeting schedule for 2023-2024 requires official board action for adoption. A couple of things for discussion. First, identifying a date for the annual board retreat. Second, the number of board workshops.

Thank you.

19. Financial Report

MEMORANDUM NO: 074-2023

TO:

Board of Regents

FROM:

Robert J. Exley, PhD

DATE:

June 14, 2023

SUBJECT:

Financial Report Ending May 31, 2023

Mr. Karl Stager will provide the monthly financial report for the board.

The monthly report will provide an update of our revenues and expenses year-to-date compared to our budget projections for the 2022-2023 fiscal year. Table 1 provides an overview.

Table 1.

| Revenues | M&O Budget | M&O Actual | % of Budget | Remaining Budget |
|------------------------------|------------|------------|-------------|---------------------|
| Total Operating Revenues | 6,758,719 | 6,537,304 | 96.72% | (221,415) |
| Total Non-Operating Revenues | 33,312,330 | 29,777,223 | 89.39% | (3,535,107) |
| Total Revenues | 40,071,049 | 36,314,527 | 90.63% | (3,756,522) |
| Expenses | M&O Budget | M&O Actual | % of Budget | Remaining Budget |
| Total Operating Expenses | 40,071,049 | 26,798,791 | 66.88% | 13,272,258 |

This represents nine months of the fiscal year and revenues are on track and expenses are consistent with projections.

I recommend approval of the Monthly Financial Report ending May 31, 2023.
