Access Our Databases

ACC Library Database A to Z List

A to Z listing of all databases we have access to. Subject listings for databases are included.

EBSCO Databases

Contains thousands of ebooks and full text articles from scholarly journals, news sources, and popular magazines. The EBSCO and Cumulative Index to Nursing and Allied Health Literature (CINAHL) databases access has changed and are no longer available through TexShare.

(New) JSTOR Arts & Sciences Collection

JSTOR's Arts and Sciences Collections offer full-text access to hundred of titles in many disciplines of the arts, humanities, sciences, social sciences, business and education.

(New) HeinOnline

HeinOnline is the world's largest fully searchable, image-based government document and legal research database. It contains comprehensive coverage from inception of both U.S. statutory materials, U.S. Congressional Documents, U.S. Congressional Serial Set and state constitutions. **Requires Login: Username: alvincollege Password: heintrial**

The Gale and ProQuest databases via the TexShare Databases

Go here to access the online databases that we subscribe to! ProQuest, GALE, Opposing Viewpoints to name a few.

If your are not at the ACC Campus, use the following Username and Password (copy and paste is best):

username: texshare-0203 and password: TSL_DoNotUpdate!24su

1. Click on All Databases:

Search articles, books, journals & more

Searching: All databases (70)

Search articles, books, journals & more

Full Text Peer Reviewed All time

2. Find Alt HealthWatch and select it only (deselect all other databases)

Select databases to search

At least one database must be selected. Selecting all databases for search

Select all

- Academic Search Complete
- Agricola
- Alt HealthWatch
- American Antiquarian Society (AAS) Historical Periodicals Collection: Series 1
- Literary Re
- Literary Re
- MAS Comp
- MAS Refer

3. Your search screen should now look like this:

Search articles, books, journals & more

Searching: Alt HealthWatch

Search articles, books, journals & more

If your professor requires it, this is where you select "Peer Reviewed."

Once you find an article of interest, you will need to choose how you would like to read it: **PDF or download**. Please note that you have to select one to read the whole article. What you see on this initial page is an "abstract" or summary and key points of the article.
